Oriental and Domestic Rugs Popular Christmas Gifts

PROOF of their popularity in our "Wait Order" Rug Rooms, where scores of Rugs selected early for gift purposes are piled up for Christmas delivery.

SUPERB STOCKS OF ORIENTALS

Many of the fine specimens in this collection were selected by a member of the firm while touring the Orient. On that tour he engaged, as our Oriental Rug buyer, a native of the Far East—an expert who is constantly gathering Oriental weaves for Macy's. Prices—most moderate. Actual import cost of the Rug, plus our usual slender margin of profit, whether your selection be an inexpensive mat-size weave or a carpet-size Rug at \$574.50. Examples, starting with Anatolian and Persian Silk Rugs:

Anatolian and Persian Silk Rugs, sizes average 3 feet 9 inches by 5 feet 6 inches, in delicate colorings—pearl, pink, light blue and green predominating. Prices:—Anatolian, \$26.88 to \$54.48; Persians, \$162.00 to \$298.00.

During the Holiday Rush

You realize, more than at any other time in the year, what distinct advantages there are in shopping at Macy's.

The difference between Macy prices and the prices asked elsewhere is more pronounced now than at any other time in the year.

In many instances the purchasing power of your money is doubled.

All this traceable to the simple system of gathering and distributing merchandise—the cash system—simplest known.

The absence of all forms of entertainment—concerts, theatrical devices and the like that increase store expenses and must be made up in higher prices.

If you want entertainment in a store expect to pay the fiddler.

The entire holiday program at Macy's can be summed up in this: **UNEQUALLED ASSORTMENTS OF FIRST QUALITY MERCHANDISE AT MATCHLESSLY LOW PRICES.**

Men's \$17.75 Tourist Model Overcoats, Special \$12.75

THE collection comprises eighty garments sacrificed by the manufacturer who this season furnished the bulk of our regular stock lines of Tourist Coats. This particular model is one that we have been selling regularly at \$17.75. It is a 52-inch garment, fashioned very full; made of striped and plaid all-wool overcoating, lined with good quality serge; close-fitting velvet collar.

Other Overcoats in regular stock up to \$32.50

We also offer, very special:—

Men's All Silk Japanese Jackets, in blue, brown and wine color; with quilted linings..... \$4.74

Men's Fur-lined Coats.

These garments establish a new high standard for fur-lined Coats ready-to-wear. In producing them the manufacturers have departed from the beaten path, inasmuch as they complete the entire garment, combining the work of tailors and furriers in one coat-making organization. Heretofore one tailoring concern made the fabric "shells" of the coats and the linings and fur collars were looked after by outside furriers.

By the new method the garments turned out are distinctly superior. Prices range from..... \$24.75 to \$599.00
